Our firm provides its life, Pension, Investment and mortgage services to our clients on a fair analysis basis. "Fair analysis of the market" means that our firm provides its life, Pension, Investment and mortgage services on the basis of a sufficiently large number of contracts and product producers available on the market to enable our firm to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet our clients consumer's needs. When our firm provides non-life services to clients we provide this service on a limited analysis basis meaning that our firm provides non-life services on the basis of a limited number of contracts and product producers available on the market.

Financial Innovations Ltd. t/a Financial Innovations is a member of Brokers Ireland. As a member of Brokers Ireland we must be in a position to place insurance with at least five insurers of the relevant form (life/non-life) and therefore can generally give consumers greater choice than agents and tied agents.

Insurance Intermediary Services/Mortgage Intermediary Services (except for Insurance based Investment Products (IBIPs))

We act as an Independent Broker which means that:

- a) the principal regulated activities of the firm are provided on the basis of a fair and personal analysis of the market; and
- b) you have the option to pay in full for our services by means of a fee.

Fair and Personal Analysis

The concept of fair and personal analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/ or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could reasonably be expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair and personal analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration.

Investment Intermediary Services

We are remunerated by commission for our investment intermediary services.

Insurance based Investment Products

We provide insurance based investment products on the basis of independent advice. This means that we will return to customers or offset against fees to be paid by the customer, any fees, commissions or non-monetary benefits paid or provided by any third party or person acting on behalf of a third party in relation to the services provided to that customer as soon as reasonably possible after receipt.

Life & Pensions/Deposits & Life Wrapped Investments

We provide life assurance and pensions on a fair and personal analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policy and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically on the subject of permanent health insurance policies we will explain to you; a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources.

For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

We can provide advice on and arrange products from the following range: household, motor, commercial, public liability, employer liability, and travel insurance. (Intermediaries can tailor this to include any extra services offered.)

- Frank Glennon Ltd t/a Glennon Insurance Brokers and Consultants

In some cases we may be granted authority from an insurance undertaking to conduct tasks on their behalf, for which we will be remunerated. Where we place your business with this insurance undertaking under this authority you will be notified in advance of the placement.

We will also offer assistance to you in relation to processing claims on policies taken out with us and in seeking renewal terms on your cover.

To ensure continuity of cover, where you have an existing policy which is due to expire and where we have been unable to contact you, we may put continuing cover in force whilst awaiting your instruction. You will be liable for any premiums payable to the relevant insurer for the period of time between renewal and when we receive your instruction. You have the right not to avail of this service.

Mortgages

Through the lenders or other undertakings with which we hold an agency, Financial Innovations can provide advice on and arrange mortgage products from the following range: fixed-rate loans, variable rate mortgages, capital & interest mortgages, interest only mortgages, endowment mortgages, pension mortgages and residential investment property.

We will need to collect sufficient information from you before we can offer any advice on housing loans. This is due to the fact that a key issue in relation to mortgage advice is affordability. Such information should be produced promptly upon our request.
